

Lived Experience Consultation

Review of the NT Mental Health and Related Services Act

**NORTHERN
TERRITORY
LIVED
EXPERIENCE
NETWORK**

About:

The NT Government is reviewing the *Mental Health and Related Services Act 1998*. NT Health wants to hear the community's views about how mental health treatment and care is regulated in the Northern Territory.

This consultation is open only to people with individual experiences of mental health challenges and their family members or loved ones.

The consultation will include potential changes relating to the Act including:

- Rights of the Patient
- Admission and treatment
- Nominated support person
- Cultural security
- Ground leave at the Hospital
- Restrictive practices

Event Details:

Date: Monday 3rd of May 2021

Time: 10 am to 3 pm

Venue: Palmerston Library Community Room, Goyder Square, Palmerston

Lunch and refreshments will be provided. To ensure we are COVID safe please RSVP by Thursday the 29th of April.
